

Terms & Conditions – Private Psilocybin Sessions

1. Booking & Payment

Your private session is confirmed once full payment has been received, unless another payment arrangement has been agreed upon.

2. Cancellation Policy

If you need to cancel or reschedule your session, the following policy applies:

- Between 14 and 30 days before the session: 90% refund
- Within 14 days of the session: no refund

If you need to reschedule, please contact us as soon as possible. While we will always do our best to accommodate a new date, this cannot be guaranteed.

3. Changes by the Facilitator

In the unlikely event that the session needs to be rescheduled due to illness or unforeseen circumstances, we will arrange a new date as soon as reasonably possible. If no suitable date can be found, you will receive a full refund.

4. Health & Participation

Participation is subject to completing our screening questionnaire honestly and in full.

We reserve the right to postpone or decline a session if we believe participation may not be safe based on the information provided or the participant's condition at the time of the session.

Providing inaccurate or incomplete medical or psychological information may result in cancellation of the session without refund.

5. Medical Responsibility

Private psilocybin sessions are intended for personal growth, self-exploration, and wellbeing. They are not a substitute for medical, psychiatric, or psychological treatment.

Participants remain responsible for consulting their own physician regarding any medical conditions or prescribed medications. We do not advise participants to discontinue prescribed medication.

6. Participant Responsibilities

The participant agrees to provide a quiet, private, safe, and suitable environment for the session, free from unnecessary interruptions or distractions.

The participant is responsible for following all preparation guidelines provided before the session and arranging any recommended aftercare or support if needed.

7. Liability

While every reasonable effort is made to provide a safe, supportive, and professionally facilitated experience, participation involves inherent physical and psychological risks.

To the fullest extent permitted by Dutch law, the facilitator cannot be held liable for injuries, damages, losses, or expenses arising from participation, except where caused by gross negligence or intentional misconduct.

8. Confidentiality

All personal information shared before, during, and after the session will be treated confidentially and handled in accordance with applicable privacy laws.

9. Governing Law

These Terms & Conditions are governed by the laws of the Kingdom of the Netherlands.
